San Francisco, CA 94105-2482

Dear Jason A. Malinsky:

This is in response to your Freedom of Information Act/Privacy Act (FOIA/PA) request received in this office July 22, 2011 regarding the following:

All statistics on overseas adjudications, including requests for review/reconsideration, from the Overseas Tracking System from 2003 to present day, including but not limited to: Data on decisions (e.g. grant v. denial rates) broken down by circuit ride leader, circuit ride, office district, and individual officer; each applicant's country of origin; the ultimate determination (e.g. re-interview v. reversal; grant v. deny); and

All records discussing or analyzing the above-mentioned statistics, including, but not limited to internal memoranda, reports, and emails; The U.S. Citizenship and Immigration Services ("USCIS") quality assurance program review "of a statistically valid sample of refugee cases" conducted in Fiscal Year 2009 as described in Alejandro N. Mayorkas's July 31, 2010 memorandum to January Contreras, a copy of which is attached;

All post-2001 USCIS data on overseas adjudications, including all available data prior to the introduction of the case management system.

Per our conference call on August 12, 2011 USCIS has agreed to a rolling release of records. We are providing the following: Aging Readiness Report, Case Trend Report, G-23.35A Report, Pending – Not Ready Report, Process Time Report, and Workload Report.

We have completed the review of all documents and have identified 48 pages that are responsive to your request. Enclosed are 31 pages released in their entirety. We are withholding 17 pages in full. In our review of these pages, we have determined that they contain no reasonably segregable portion(s) of non-exempt information. We have reviewed and have determined to release all information except those portions that are exempt pursuant to 5 U.S.C. § 552(b)(5) of the FOIA.

The following exemption applies:

COW2011000600

Page 2

Freedom of Information Act U.S.C. § 552 (b)(5)

Exemption (b)(5) provides protection for inter-agency or intra-agency memorandums or letters, which would not be available by law to a party other than an agency in litigation with the agency. The types of documents and/or information that we have withheld under this exemption may consist of documents containing predecisional information, documents or other memoranda prepared in contemplation of litigation, or confidential communications between attorney and client.

You have agreed to identify from these documents specific records or reports that you would like copies of and submit the list to USCIS.

The enclosed record consists of the best reproducible copies available. Certain pages contain marks that appear to be blacked-out information. The black marks were made prior to our receipt of the file and are not information we have withheld under the provisions of the FOIA or PA.

If you wish to appeal this determination, you may write to the USCIS FOIA/PA Appeals Office, 150 Space Center Loop, Suite 500, Lee's Summit, MO 64064-2139, within 60 days of the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

The National Records Center does not process petitions, applications or any other type of benefit under the Immigration and Nationality Act. If you have questions or wish to submit documentation relating to a matter pending with the bureau, you must address these issues with your nearest District Office.

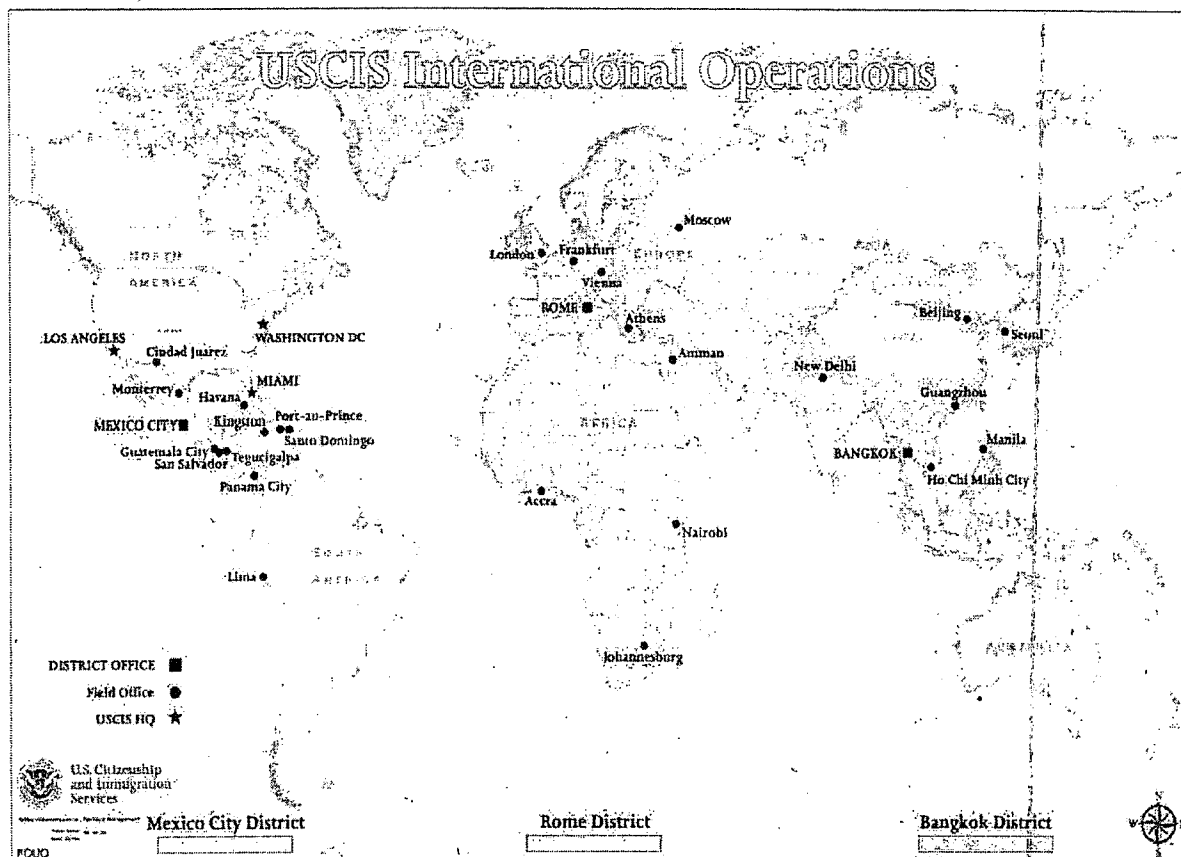

All FOIA/PA related requests, including address changes, must be submitted in writing and be signed by the requester. Please include the control number listed above on all correspondence with this office. Requests may be mailed to the FOIA/PA Officer at the PO Box listed at the top of the letterhead, or sent by fax to (816) 350-5785. You may also submit FOIA/PA related requests to our e-mail address at uscis.foia@uscis.dhs.gov.

Sincerely,

Jill A. Eggleston
